ATSSA
SAFER ROADS SAVE LIVES

"More than 20 percent of annual firefighter deaths occur on the roadways. In just the first three months of 2006, the towing and recovery industry lost five of its own in struck-by incidents. About half of the 300 law enforcement officers killed on duty each year die in vehicle-related incidents"- National Traffic Incident Management Coalition

ATSSA presents two new training courses under a FHWA work zone safety training grant.

Incident Traffic Control for Responders

The basic principles of incident management and considerations for traffic control enforcement at incidents are presented.

Safe and Effective Use of Law Enforcement Personnel in Work Zones

The goal of this course is to provide awareness and guidance to law enforcement for their assigned roles in active work zones, whether on duty or off-duty.

Cost: Free - Federal Employees $25. Public Officials $50. Others

State	City	Course #	Course	Date	Time	Registration Closes
AR	Little Rock	13990	Incident Traffic Control for Responders-Grant	9/12/08	8 a.m. - Noon	8/12/08
